

Lake View

HOUSING COMPLEX - HOWRAH
HIG TOWER 4 & 5

A project of
WEST BENGAL HOUSING BOARD

This information brochure must be read in conjunction with the General Terms & Conditions booklet. In case of any ambiguity regarding any of the Clause / Section/Serial No., of the brochure as well as the General Terms & Condition, the concerned allottee may consult the P. R. Cell for necessary clarification.

Location of the Project

It's very very close to the bustling township of Howrah as well as the Kolkata metropolis yet, in sharp contrast, it is a picturesque setting, mystified by a cool expanse of a silvery lake in the South and West It is West Bengal Housing Board's first ever housing project in Howrah at Doomrajala.

Aptly named as Lakeview Housing Complex, it is a mere 2 km away from the Kona Expressway, abutting Drainage Canal Road; just 3 km away from the Vidyasagar Setu, 4 km from the Howrah Bridge.

Location map

Not to scale

In-project facilities

The project encompassing 6.72 acres of prime land will have provision for all the facilities of a modern housing complex-Commercial Plaza with Food Courts, Cultural Centre with Pool, Health Club, Jogging Track.

Communication links too would be excellent - with easy access both to Howrah and Kolkata through frequent bus, mini-bus and CTC bus services.

Scheme

LAKE VIEW HOUSING PROJECT, DOOMRAJOLA, HOWRAH

(G+12) - 96 Nos. HIG Flats

(Compulsory garage [Covered/Uncovered] with each unit)

GENERAL FACILITIES AND NOTABLE POINTS

1. It will be compulsory for all the allottees to be a member of the existing Lake View Housing Co-op Society at the terms and conditions strictly specified by the said Co-op. Society.
2. Internal roads, pathways with compound lights, fire fighting arrangement, open spaces provided within the complex, common road, Management office etc. is being provided to the existing Co-op. Society for maintenance.
3. There will be provision for internal electrification for each dwelling unit and the allottees will have to make their own arrangements for connection from CESC Ltd. for individual units and for various common facilities.
4. The source of water supply will be available from deep tubewell and H.M.C. source subject to development of the water supply scheme in the area. The water will be stored in the underground reservoir, from where water will be pumped to the water storage tank on roof tops through internal water pipelines and the same will be distributed to individual units by the existing Housing Co-op Society at their terms.
5. Disposal of sanitary sewerage and storm water will be discharged to the nearest common off-site facility.

OTHER NOTABLE FEATURES/POINTS

1. Provisional price as declared is determined on the basis of estimate. Final price will be determined and approved by the Board on completion of the project after addition of escalation, if there be any. The Board reserves the right to review the price of unallotted flats sold subsequently.
2. The dimension of plinth and floor areas as well as configuration as shown in the building plans are approximate and minor deviation from the plans may be made during construction which will have to be accepted by the purchasers. Such deviation may also occur in the same category and type of units. The purchasers cannot make any claim for/or object to such deviation and he/she shall be bound to accept the unit allotted to him/her at the final price which will finally be fixed by the Board.
