

Location of the Project

It's very very close to the bustling township of Howrah as well as the Kolkata metropolis yet, in sharp contrast, it is a picturesque setting, mystified by a cool expanse of a silvery lake in the South and West It is West Bengal Housing Board's first ever housing project in Howrah at Doomrajala.

Aptly named as Lakeview Housing Complex, it is a mere 2 km away from the Kona Expressway, abutting Drainage Canal Road; just 3 km away from the Vidyasagar Setu, 4 km from the Howrah Bridge.
