## Other Facilities

### Management Office

Management Office will be provided for maintenance of common services & areas within the project.

### Electricity

Each dwelling unit will be provided with full concealed wiring with copper conductors. There will be every effort to provide electric metre connection to individual house on statutory application to local power providing body (D.P.L.). In case of insistence by such body for project bulk power supply, the main meter connection will have to be obtained by the Owners' Co-operative / Association etc. in their name. Individual Allottee / Owner will get Electric Connection from them in the manner as will be settled between the individual Allottee & their Co-operative / Association. Electric charges for street & area lights, pumps, etc. are to be borne by the Allottee's body / Co-operative / Association as per prevailing rules & the said body will be responsible for operation & maintenance of all electrical and other common services.

### Water

Each House/Bungalow will be provided water connection through water line grid. The source of water will be Deep Tube Well/Local Water Supply Body/Local Municipality. The pump house, tube well, water line grid etc within the cluster will be maintained by the Association/Co-operative society formed by the allottees. In case, the Local Body/Municipality

supplies water, then the water charges towards the supply of water will be borne by the Co-operative Society/Association. Board will have no responsibility in this regard.

### Sewerage

Sewer lines will be laid and connected to each dwelling unit. The sewage from individual units along with kitchen waste will be connected to Common/Main sewer of the project which will be ultimately discharged into Municipal/Local Body sewer line. The storm water of individual unit will be discharged in surface drain of individual unit ultimately connected to Municipal/Local Body surface drain.

### Handing Over of Common Areas & Facilities

After completion of the project, Common Areas & Facilities (CAF) will be handed

over to the Housing Co-operative Society/ Apartment Owners Association/ Registered Allottees Association formed by the majority of the allottees.

### Execution of Deed & Registration

Execution of deed of house owners will be made after handing over of CAF as cited above and having the membership of the same by the individual allottees.

Before handing over of CAF to the registered body as stated above, bungalows will not be registered in favour of the allottees. After handing of the CAF and having membership of the concerned registered body, the execution of deed will be made in favour of individual allottees.

### Common Area Et Maintenance

The common road in between two housing projects i.e. Shilpa Kanan Housing Project, Phase I, already completed and Shilpa Kanan Housing Project, Phase II, under construction and to be completed in future including the common facilities thereof would come under the purview of sole charges and responsibilities of joint body to be formed by the Co-operative/Association of the above two phases (Shilpa Kanan Housing Project, Phase I Et II) after completion of Shilpa Kanan Housing Project, Phase II and formation of their Co-operative/Association. Both the Co-operative/Association of Shilpa Kanan Housing Project, Phase I Et II will form and constitute the Joint Body in future and enjoy the benefit of the said common road and common facilities thereof and accordingly would be held equally liable and responsible for proper care taking, guarding and maintenance of the same. Board will have no responsibility/liability whatsoever in respect of the common road, caretaking, guarding, maintenance of the same including any payment for running of infrastructures thereof for both civil and electrical works.

The Co-operative Society/Association of Shilpa Kanan Housing Project, Phase-II would be held responsible for caretaking, guarding and maintenance of their

internal common areas and facilities of Shilpa Kanan Housing Project, Phase-II, after handing over of the same to them by West Bengal Housing Board and West Bengal Housing Board will have no responsibility/liability to this effect in future whatsoever after handing over of the said common areas and facilities to the said Co-operative/Association.

### Allotment Procedure

#### Lottery

The units will be allotted amongst the applicants usually through lottery. Preference for any particular unit will not be entertained. Lottery is expected to be held shortly after the last date of receipt of applications. The lottery will be held in presence of applicants willing to remain present. Priority in allotment will be given to the depositors in the Board's Deposit Scheme to the extent, prescribed in the Special Deposit Scheme Rules.

#### Quota
